

Year 6
Challenge!

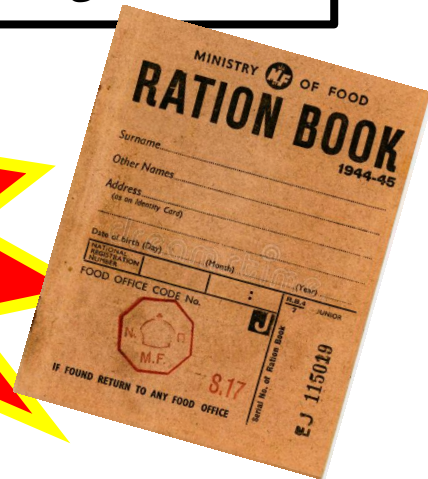

World War 2 Cooking.

Task:

Find a recipe from World War 2, have a go at making it at home and then write a review explaining how you got on.

Title

The name of your dish.

Recipe

How will you set this out?

Method

Be thorough and precise in your method. What sort of language do you think you should use?

Review

Think of questions to ask about the entire challenge and make sure that you answer them in detail. Ask people at home to try your dish. What is their response?

We know that it's hard to get ingredients at the moment so please do the best that you can with what you have. If you can't make a WW2 recipe, perhaps you can help to cook dinner for your family one evening.
