Naunton Park Primary School is a safe, supportive and happy environment where every child thrives in their work and play. Our lively, vibrant and stimulating curriculum nurtures curious minds, providing opportunities for every child to flourish. As a large school with a small school feel, we support children to find their voice in the world and ensure that individuality is celebrated. At the end of their primary school journey, we would like our children to look back fondly and forward with excitement and confidence.

Weekly round up

Dear all

Thank you for your continued patience and understanding this week.

- The plan for potential phase 2 of the re-opening plan is currently being finalised with a view to sharing this next week, with a view to (hopefully) being able to invite Y1 and Y6 children into school on a part-time basis.
- The children who have attended school this week have adapted well, on the whole, to the dramatic changes to their classrooms and the school day
- We had to carry out an emergency closure of the school on Tuesday, due to a mains water leak just outside the perimeter fence. This leak affected the supply of water to the school, resulting in us running out of water completely by 11.30am.
- It has been lovely to see so many children posting photographs of themselves and/or their work on their class Padlets. Please keep this up, we love to see what your children have been up to and it is a great opportunity for teachers to communicate with their children.
- As ever, please do feel pressurised into the amount of home learning you are or are not able to support your child with at home. We recognise that everyone's situation is different.

Year 6—PGL refund

We are now in a position to start the proceedings to process refunds for those Year 6 parents who unfortunately had their children's residential trip cancelled due to the lockdown. The school will have to apply for the funds to be released back into parentpay in order for refunds to be actioned through parentpay. This process may take upto 14 days to action, but may be sooner.

As soon as this has been done, we will write to you to confirm the refund payment has been actioned. The school wants to reassure you that the full refund will be applicable, so please just bear with us a little longer whilst the administration to do so is completed. Many thanks for your continued patience and support.
