

PARK LIFE!

COVID-19 SPECIAL EDITION

Friday 3rd July 2020

Any information from third parties is merely shared, not necessarily endorsed.

Headteacher: Mrs Nikki Hill
Deputy Head: Miss Lara Hudson

Naunton Park Primary School is a safe, supportive and happy environment where every child thrives in their work and play. Our lively, vibrant and stimulating curriculum nurtures curious minds, providing opportunities for every child to flourish. As a large school with a small school feel, we support children to find their voice in the world and ensure that individuality is celebrated. At the end of their primary school journey, we would like our children to look back fondly and forward with excitement and confidence.

Weekly round up

Dear all

I hope this edition of Park Life finds you well.

- We have enjoyed welcoming back class groups of children in Years 2 –5 this week to enable the children to spend time with their class teacher.
- As many of you are probably already aware, the Government has released the guidance for full opening of school in September. This guidance is complex and fairly extensive, with lots of detail to unpick. Please can I, once again (forgive me for sounding like a broken record), ask for your patience as we work through this as the level of planning involved will take time. Discussions are already planned with other local Headteachers, the Local Authority and school staff. As soon as I am in a position to share the implications of the guidance on us as a school and any related changes, I will let you know.
- Linked to the point above, once we have this information, we will be able to advise you of our ability to run breakfast/after school club as well as extra-curricular clubs and any restrictions surrounding these.
- Annual reports will be emailed home to you at the beginning of next week. These will arrive as a PDF document.
- A parking plea—please ensure that you are parking safely near school. There have been a couple of near misses this week as a result of inconsiderate parking.

Life in Lockdown Exhibition

'A Life in Lockdown' exhibition: your memories of Covid-19 in Gloucestershire

The Museum of Gloucester is inviting everyone in Gloucestershire to capture their memories for an exhibition titled 'A Life in Lockdown'!

The Museum of Gloucester wants to capture and create both a printed record and a digital collection of these memories and is hoping to display as many as possible in an exhibition at the museum in Autumn 2020, as well as producing a permanent record of this period in their digital collection.

As well as getting the chance to have their submission(s) in the exhibition and as part of the collection, there will also be a small competition for children and young adults and an overall 'People Choice' award. **Everyone is being asked to submit up to five images and/or a video taken during the lockdown period from 20 March 2020 for consideration.**

Submissions are open until 31 July 2020. Full details and terms and conditions on how to enter are on the museum website and their social media.

Cllr Steve Morgan, cabinet member for Culture and Leisure at Gloucester City Council said: "This exhibition recognises the spirit of resilience and survival that the city is known for. It's an opportunity to celebrate the diverse strengths and stories of our communities coming together and supporting each other during this time in history. "Not only that, but it enables us to more permanently acknowledge and thank everyone who saved lives, cared for others, and kept vital services going in such difficult circumstances."

The **Museum of Gloucester** tells the story of the city's origins as a Roman settlement and its subsequent development through the Dark Ages and Medieval period. This fine Victorian building also has a significant collection of art including paintings by Richard Wilson, Thomas Gainsborough, John Atkinson Grimshaw and Thomas Dibdin.

The museum features ground floor exhibitions and exhibits that promise a much more interactive experience. Highlights include a Roman kitchen playhouse and medieval street, and part of the original Roman wall can also be viewed within the museum.
