

I am starting school

I will soon be starting my new school.
It is called Naunton Park Primary.

I will be in: **Green** Class.

My teacher is called Mrs Farrow.

My Teaching Partners are called:

Miss Francis

and Mrs Eckford.

I am starting school

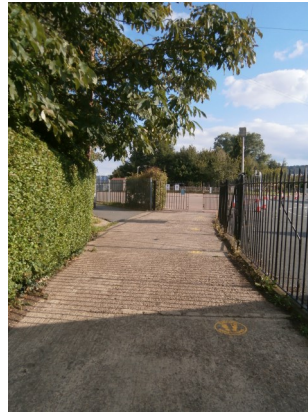

On my day to start school next week, I will put on my new school uniform. I will bring my coat, my book bag and a water bottle. I will bring my lunch box if I'm having a packed lunch.

Everything will have my name on.

I will walk up the track and into the play-ground through the black gates with my grown ups.

I will meet my teacher by the coloured fence.

I will say goodbye to my grown-ups and give them a big wave.

An adult from school will help me walk to my classroom. This might feel a bit tricky and it's ok to feel a bit unsure. I will need to be really brave. Everyone will be so proud of me.

My Teaching Partner will be in the classroom to show me what to do next.

I will get to play and do some activities for a few hours. I will meet some friends and have a super-doooper fun time.

At playtime, I can run on the playground. I will be able to have a snack and a drink.

At lunchtime my Teacher, Teaching Partner and a Midday Supervisor will take me to the school canteen with my class. I will have a cooked lunch or my packed lunch from home. There will be lots of adults to help me.

I will see my grown-ups later and tell them all about my day. I might feel a little bit tired, because I will have been so busy!

We are really excited about seeing you next week :-)
