

## Our Wonderful World, Our Wonderful Town.

Y3 Leading Question – What are the environmental threats to life in the Caribbean? This topic runs over terms 3 and 4.

In this project, year 3 will be looking at life in the Caribbean islands of Trinidad and Tobago. We will be looking at the human and physical features of these islands as well as the natural habitat and exploring the effects of climate change, rising sea levels and other threats to this environment.

### Geography

Exploring environmental threats to life in the Caribbean including the impact on animals, sea creatures, coral reefs and rainforests.

### Science

Life cycle of flowering plants, including seed dispersal.  
Human skeletons.  
Vertebrates and invertebrates.  
Healthy eating.

### Art

A focus on the sculpture of Edgar Degas.

### RE Week

Christianity  
Islam

### English

Non-Fiction – Explanation texts:  
Why is the Pipile bird at risk of extinction?  
Why is the Leatherback Turtle endangered?  
Poetry

### Maths

Methods of multiplication and division.  
Continuing to learn the facts for x 3, 4, 8 times tables.

### PE

Dance  
Hockey  
Tennis

### PSHE

Dreams and goals  
Healthy me

### Computing

Branching data-bases  
French  
'I can ...'

Music Charanga –, composing and playing music using The Dragon Song
