### Whole Class Music Session and Science Festival Trip

Dear Parents,

In Year 2, we are very lucky to have the opportunity to be having whole class music lessons.

#### **Infant Strings (mini violin) Lessons**

- These will take place weekly in school for 10 sessions

These sessions will give all the children additional music lessons, providing them with the opportunity to try a new instrument. The sessions will be led by a qualified instructor, and the cost also covers the cost of hiring the instruments.

#### **Payment**

**The school invites you to make a voluntary contribution of £23.10** to cover the cost of the above activities. No child will be prevented from joining in because their parents do not pay but we must point out that a visit may have to be cancelled if we do not receive sufficient contributions. **All contributions should be made via the ParentPay website by Tuesday 5<sup>th</sup> May.** If you are experiencing difficulty, please contact the school office.

#### **Science Festival – There's a Zoo in my House**

- Friday 5<sup>th</sup> June 2026
- Montpellier, Cheltenham
- Event start time: 10am
- Event end time: 12pm
- Children will eat lunch at the venue (so a packed lunch will be required).

This trip will support the children's science work in school, relating to our previous Leading Question and developing their scientific skills. The classes will visit the Maker Shack and attend a talk called "There's a Zoo in my House".

#### **Pupil Premium**

If your child receives Pupil Premium, the school may be able to provide assistance towards part of the cost. Please contact Mrs Ballinger to discuss this support if your child receives pupil premium.

Thank you for your continued support and we look forward to offering your child this exciting opportunity to support their learning. Please keep this letter safe for future reference during the term. As always, if you have any questions then please feel free to speak to us or contact the school office.

Yours sincerely,

Year 2 Team
