Term 3 and 4 trips for Year 5

Dear Parents,

Now that arrangements have been finalised, we are delighted to tell you about the visits that we have arranged to enrich our curriculum during Terms 3 and 4.

Mosque visit

- Wednesday 19th January 2022
- Leave school at 9am and return at 11:15am in time for lunch
- Masjid-e-Noor Mosque, 41-44 Ryecroft Street, Gloucester, GL1 4LY
- School uniform should be worn as usual with a coat
- Lunch will be eaten in school as usual

This visit links with our RE unit about Islam. The children will learn all about how Muslims pray, including how many times a day; which direction they face; and how they perform certain rituals before prayer. Children will also learn more about how the faith is related to Christianity and Judaism and will be introduced to the Five Pillars of Islam. During their visit, children will be taken on a guided tour of all the areas within this Mosque.

We The Curious

- Wednesday 6th April 2022
- We the Curious, Millenium Square, Bristol, BS1 5DB
- Depart school 8:30am and return to school at approx. 4:30pm
- Children to come to school via the playground gate at 8:20am please for early registration
- School uniform should be worn with a coat
- Children will need a packed lunch, water bottle and snack
- No money is required as we will not have time to visit the shop

This visit will link to our Science curriculum and will consist of a special package for the children to include museum entry, a workshop and planetarium visit. During the day, we will attend a practical workshop entitled "Colourful Chemistry", in which the children will be using Bunsen Burners (equipment that we unfortunately don't have access to in school). We will also be visiting the Planetarium, which will build on our Earth, Sun and Moon work from previous terms.

Payment

The school invites you to make a voluntary **contribution of £28.52 to cover the cost of both** trips. No child will be prevented from going on the visits because their parents cannot pay, but we must point out that the visits may have to be cancelled if we do not receive

sufficient contributions. All contributions should be made via the ParentPay website. If you are experiencing difficulty, please contact the school office.

Pupil Premium

If your child receives Pupil Premium, the school will use the funding to pay for your child's trips. You do not need to make a contribution but please email office@nauntonpark.gloucs.sch.uk to grant permission for your child to attend.

Permission

Permission is assumed when you make your contribution for each trip, unless you are unable to contribute in which case you'll need to email the office (see above) to give permission for your child to attend.

Help

If you are able to help on any of the above trips, please email Mrs Lochman office@nauntonpark.gloucs.sch.uk We will then get in touch if your help is required. **We do need between 1-3 helpers per class (depending on which trip) to enable the visits to go ahead.**

Thank you for your continued support and we look forward to offering your child these exciting opportunities to support their learning. Please keep this letter safe for future reference during the term. As always, if you have any questions then please feel free to speak to us or contact the school office.

Yours sincerely,
Year 5 Team
