- break up longer words such as waiting w ai t ing
- Extended Code books show them/talk about the different 2 letters one sound spellings that
 are going to be in the book before you read
- · do discuss what words mean
- help them it's not a test!
- blending is usually the trickiest part. See blending blog notes on what to do.
- split spellings we say the /ae/ sound when we see the first part of it in the word
- do get them to re-read the sentence again. To help develop fluency. And again... if they are still happy to!
- If they have read it with fluency, you could do a little bit of reading comprehension.
