26th May 2023

Additional Term 6 activity for Year 5

Dear Parents,

Now that arrangements have been finalised, we are delighted to tell you about the visit that we have arranged to enrich our curriculum in Term 6.

Cheltenham College Science activity

- Tuesday 13th June
- Cheltenham College
- Event starts at 1:15pm
- Depart venue to return to school at 2:45pm
- School uniform must be worn
- A jacket/coat should be worn depending on weather forecast
- Children will be walking to/from the college

During the afternoon, children will take part in workshops delivered by Cheltenham College staff and using the college facilities. This will be used as a hook into the children's Term 6 curriculum for science relating to forces, space and properties of materials. This is a free event, where children will take part in a workshop "Chemistry Spectacular", with bangs, whizzes and explosions!

As this is a visit in the locality and part of the curriculum, we do not require permission. If you do not wish your child to attend, please email the school office.

Thank you for your continued support and we look forward to offering your child this exciting opportunity to support their learning. Please keep this letter safe for future reference during the term. As always, if you have any questions then please feel free to speak to us or contact the school office.

Yours sincerely,
Year 6 Team
