Dear Families of Naunton Park,

The following information informs you of your child's class next year and their respective teacher. At this time of the year, we are not yet in a position to inform you of the teaching partner names for each class as we are still recruiting. Once we have this information, and a teaching partner plan is finalised, we will inform you of this – this will be in two weeks' time. This year we have been able to recruit more Teaching Partners than previously, ensuring we are even more effective in meeting need and delivering effective interventions and booster sessions. We are also recruiting another Pastoral worker due to growing need within the school.

Great thought and careful planning go into the staffing structure of a school, and we have spent many hours creating this. One of the main factors this year is to place as many teachers as possible in the same year group that they are currently in or have worked in, so they have a second year at delivering the new Challenge Curriculum.

We feel it is important for you as parents to have this information before the children. We expect that you will share this with them over the weekend and on Monday this will be shared again in their present class.

Kindest regards,
Mrs Fletcher
