

Synopsis:

Science and DT focus.

Term 6 – **Stemtastic** **What can we make?**

Science

Learning about the seasons is taught throughout the year.

We will be learning about everyday materials (wood, plastic, glass, metal, water and rock), learning to distinguish between an object and the material it is made from. We will find out about the properties of different materials and compare and group them based on their properties.

We will be carrying out investigations and working scientifically.

DT

We will explore, design, make and evaluate wind vanes.

Maths

Multiplication and division: We will be practicing our doubling and halving of numbers up to 10 and 20, counting in 2s, 5s and 10s.

Measurement: Money

Measurement: Mass and Capacity

English

Non-fiction – instructions How to make a wind vane.

Poetry – analysing and writing list poems

PSHE

Jigsaw Unit 5
Relationships

RE

Who do Christians say made the world?
How should we care for others and why does it matter?

Music

Charanga
Reflect, Rewind and Replay

PE

Sports Day activities and skills practise

Core Real PE – static balance floor work.. Agility – when chasing balls.

Computing

Using Purple Mash we will explore animated stories.

Leading Literature:

WCTR
Poems
Materials books

Homework

Read x5 a week at home
Optional creative homework
