

Synopsis:

A step back in time to explore homes through the ages. Children will learn how homes have developed from early dwellings in caves to the sustainable home of today and the future. A wide chronology will be covered and in particular children will explore the different rooms and contents: for example playrooms and toys.

Term 5 – Step Back in Time – Part 2

How have our homes changed over time?

History/Geography

We will be finding out about events beyond living memory and changes within living memory that reveal aspects of change in national life. We will learn about places in our own locality.

We will recap the 4 countries and capital cities of the UK and name its surrounding seas. We will identify hot and cold areas of the world in relation to the Equator and North and South poles.

Maths

Addition and subtraction: We will be practicing our addition and subtraction skills within 20.
Measurement: Time

English

Fiction – traditional tales – villain character focus
Non-fiction – discussion text Should we go back to living in caves?

PSHE

Jigsaw Unit 5
Relationships

Music

Charanga Unit 1
Your Imagination
