

Safeguarding

We have a range of support and information for families on our website here:
[Naunton Park Primary School - Safeguarding](#)

Information on our website includes posters and leaflets with summarised help and ideas for parenting, teaching children about keeping themselves safe online, how to approach difficult conversations with your child and how to determine when it's OK to allow your child to go out alone.

A lot of our information that we use in school comes from our Jigsaw Curriculum, which is available to view online here: [Naunton Park Primary School - PSHE](#) We also use NSPCC's lesson plans and resources to deliver topic-specific lessons.

The NSPCC has a wealth of resources for children and parents, so we encourage parents to spend time looking through this. **Click on the image below to visit their "Parents" section:**

NSPCC 'Learning'

An example of the information available for parents to view is the NSPCC's leaflet about Positive Parenting...

The image shows the cover of an NSPCC leaflet titled 'Positive Parenting'. The cover is green with white text. At the top left is the NSPCC logo. Below it, in smaller text, is 'NEED-TO-KNOW GUIDES'. The main title 'Positive Parenting' is in large, bold, white letters. To the right of the title is a section titled 'What's inside' with a list of topics and page numbers. Below this list is a paragraph of text. The bottom right corner of the leaflet features a yellow sun graphic.

What's inside	
Understanding your child's needs	03
How can I set boundaries?	05
Rewards and discipline	07
Keeping your cool	09
Building positive relationships	11
Who can I talk to?	13

We know how challenging it can be to balance all the demands parents and carers have to cope with. That's why we've put together some tips to help. All children need boundaries and discipline, and this guide helps you develop what works for you and your child.

Together we can!
