

Synopsis:
Science focus.

Term 6 – **Stemtastic**
What can we make?

PSHE

Jigsaw Unit 5
Relationships

Science Cheltenham Science Festival.

Learning about the seasons is taught throughout the year.
We will be learning about everyday materials (wood, plastic, glass, metal, water and rock), learning to distinguish between an object and the material it is made from. We will find out about the properties of different materials and compare and group them based on their properties.
We will be carrying out investigations and working scientifically including which is the best material for an umbrella?

DT

We will make a fruit salad as part of our English piece of learning on instructions.

Maths

Multiplication and division: We will be practicing our doubling and halving of numbers up to 10 and 20, counting in 2s, 5s and 10s.
Measurement: Money, time, mass and Capacity

English

Non-fiction – instructions How to make a fruit salad. How to brush our teeth.
