

Hello there, Parents and Carers!

As Naunton Park is preparing to close in response to COVID-19, you might be wondering how best to help your child or children with their studies while they are at home.

We have attached a link to a series of lessons prepared by the White Rose Maths Team. Every lesson comes with a short video showing you clearly and simply how to help your child to complete the activity successfully.

On this page, you will find links to each year group's learning and an explanation about how to use the resources.

Please use the following link to take you to the White Rose Maths Home Learning webpage.

<https://whiterosemaths.com/homelearning/>

We hope this is useful!

The Staff of Naunton Park Primary School
