13th February 2025

Dear parent/carer

As I am sure you are aware, internet safety of children across the UK has been in the news recently and continues to be a concern.

We know that the best protection we can give to young people is knowledge of the dangers so that they are aware and can protect themselves, as well as letting them know where they can go for help and support with regards to Cyber Bullying.

In order to do this, we are presenting an interactive play to our Year 4 pupils on Friday 7th March, which will tackle some of the issues around Safe Internet Use, Cyber Bullying and prevention of exploitation. The play is age appropriate and is called 'In the Net'. It will last for approximately 40 minutes and pupils will be provided with a support pack at the end of the production.

This activity is part of a programme of work around raising and tackling the complex nature of Internet Use and is being supported by the Education Sub Group of the Gloucestershire Safeguarding Children Partnership (GSCP).

The event is being held at Charlton Kings junior School at 10:00am. We intend to walk down to the event, so will need some adult helpers if possible. The event should finish around 10:50 with another 30/40-minute walk back to school. If you are available to walk with the class, please contact the office and Mr Greed or Miss Godwin will let you know the details. We hope that this will be a memorable way to enhance their safe internet usage and help our young people to stay safe on-line.

The Year 4 Team
