

Maths  
Solve the hieroglyphics maths questions  
Write the answers in hieroglyphics.

Maths  
Coordinates  
Plot the Egyptian points, then produce your own grid and features to plot.

Maths  
Egyptian word problems involving the four operations.

English  
Write a set of instructions for how to prepare a pharaoh for the afterlife, including diagrams for each step.

English  
Create a fact-file about a chosen Egyptian God or Goddess.

Art  
Use the internet for research then design your own Canopic jar.

Art  
Sketch a pharaoh using the grid method you learned about in Term 3.

Music  
Change the words to a song/nursery rhyme and make it about the Egyptians. Record it if you can!

Dance  
Choreograph your own Egyptian dance and record it! Maybe you could perform it to the class?

Hieroglyphics  
Create a poster explaining what the letters/numbers represent. Write your name or a secret message.
